Description

A Private Resort You Can Own – Sea Views, Concierge and World-Class Wellness, A New Benchmark for Luxury Living on Ibiza for Sale

Located in one of the island's most privileged positions, just moments from the beach and only minutes from Ibiza Town, this extraordinary residential development sets a completely new standard for luxury apartment living in the Mediterranean. Combining spectacular sea views, world-class amenities, German engineering, fully furnished residences, and an unmatched lifestyle concept, this is far more than a residential project — it is a private luxury resort designed for discerning international buyers.

Every aspect of the development has been meticulously curated to deliver a level of quality, comfort, and exclusivity rarely found anywhere on Ibiza. From the breathtaking views stretching all the way to Formentera to the exceptional concierge services and designer interiors, every detail has been conceived to create a truly unique living experience.

The Residences

The development offers an impressive selection of luxury residences ranging from elegant apartments to spectacular penthouses with private rooftop terraces, outdoor kitchens, and jacuzzis.

Residences range from approximately 75 m² to over 540 m² and are available fully furnished and ready for immediate occupancy.

Unlike conventional developments, each residence has its own unique identity inspired by Ibiza's legendary hippie heritage. Rather than traditional apartment numbers, every home carries an individual name, reinforcing the project's character, exclusivity, and sense of community.

The interiors have been designed to offer seamless indoor-outdoor living, with floor-to-ceiling windows opening onto spacious terraces that maximize natural light and the extraordinary Mediterranean views.

Whether enjoying sunrise over Formentera, watching yachts enter Marina Ibiza, or experiencing Ibiza's famous sunsets over the surrounding mountains, every residence offers a spectacular visual connection to the island.

Exceptional Architecture and German Engineering

This project combines Mediterranean elegance with precision engineering and construction quality "Made in Germany."

The architecture is modern, timeless, and highly sophisticated, integrating natural materials, sustainable technologies, and cutting-edge building systems.

Highlights include:

- Unique contemporary architecture
- Floor-to-ceiling Schüco quadruple-glazed windows

- Sliding, rotating and tilting window systems
- Natural Cenia stone flooring
- Handcrafted microcement finishes
- Integrated glass-fibre lighting elements
- Premium elevator systems with LED technology
- Sabina wood handrails crafted from locally sourced Ibiza timber
- Century-old olive tree centerpiece within the interior courtyard
- Moss and wood cocoon-inspired entrance design

The result is an architectural masterpiece that perfectly blends innovation, sustainability, and Mediterranean authenticity.

World-Class Amenities

Owners enjoy access to an extraordinary collection of resort-style facilities that rival the world's finest private residential communities.

Exclusive Facilities Include:
