The house has six bedrooms, all with en-suite bathrooms, a lounge, dining room, and kitchen. The whole house has just been redecorated and refurnished to the highest possible standards. An enormous amount of time and effort has gone into choosing the materials and decorations.

The property features numerous different places to relax and enjoy the glorious location. There are two garages, and it is also possible to extend the house further should a new owner wish to do so. Set on the sunset side of the island, the house, gardens and swimming pool are very private.
