Location

Description

This frontline property with private sea access is located in Cala Vadella. Originally built as a tower, the villa has been transformed into something truly special through several extensions added during extensive renovations. The main house is connected to the guest wing by a corridor bridge. Most of the rooms in the mansion offer incredible sea views. Each bedroom has its own bathroom and direct access from the outside. The numerous additional roof terraces are the result of the castle-like design.

ONLY LONG-TERM RENTAL POSSIBLE
