## Description

This modern, newly renovated luxury villa is located in a completely private setting in Can Furnet, offering breathtaking views of the sea, Dalt Vila, and Formentera. Unlike most properties in this sought-after urbanization, this villa enjoys total privacy with no direct neighbors. The land in front of the property is protected and cannot be built on, ensuring uninterrupted panoramic views of the surrounding pine forests and the distant coastline.

The architectural design maximizes both indoor and outdoor living, with expansive terraces on every level that allow residents to take in the scenery. The villa is designed to offer both comfort and elegance, with high-end finishes, open spaces, and floor-to-ceiling sliding windows that create a seamless connection between the interior and the stunning natural surroundings.

The main living and kitchen area is located on the ground floor, featuring a spacious open-plan layout that extends onto a long terrace with spectacular views of Dalt Vila and the sea. This level also includes a guest toilet and a well-appointed bedroom with an en suite bathroom. The outdoor spaces are designed for relaxation and entertainment, with a pool, a dedicated chill-out area, and a barbecue corner. Access to the pool area is conveniently available through both the entrance hall and the kitchen.

The lower level of the villa houses three bedrooms, each with an en suite bathroom and a private terrace overlooking Dalt Vila. One of these bedrooms includes a separate dressing room, adding an extra touch of luxury and functionality.

The master suite is located on the upper floor and offers the ultimate retreat. It features a spacious en suite bathroom, a walk-in wardrobe, and a private rooftop terrace with unparalleled views. This suite can be accessed via a separate entrance, ensuring additional privacy, or by elevator, which connects all floors of the property.

An additional fifth bedroom with a bathroom and a kitchenette is perfect for guests or staff, ensuring complete flexibility for its residents. The villa's design provides an ideal balance between privacy and accessibility, making it perfect for both year-round living and as a luxurious holiday retreat.

The villa is equipped with high-end facilities, including an elevator, a double garage, outdoor showers, a barbecue area, and two spacious walk-in wardrobes. The large sliding window doors allow natural light to flood the interiors, enhancing the open and airy atmosphere. From every terrace, residents can enjoy beautiful sunsets, making this home a truly unique sanctuary in one of Ibiza's most desirable locations.
