With a total interior space of 360 m<sup>2</sup> spread over three levels, the villa includes five spacious bedrooms, each with access to natural light and views, and six modern bathrooms. The master suite opens onto its own terrace, providing a private corner to enjoy the stunning island panorama.

The living spaces have been elegantly designed with attention to detail and are equipped with underfloor heating, air conditioning, a fireplace for cozy winter evenings, and the latest smart home technology. Whether you're considering a short-term rental or a long-term residence, the house delivers in terms of comfort, design, and functionality.
