Description

While maintaining the original architecture, the old Finca has been transformed into a luxury home. The Main House, guest house, tennis court and pool are surrounded by expansive gardens. With over 50 old olive trees and large orange groves the Finca is located on the high grounds of Morna Valley. The views of the valley and the ocean in the distance contribute to the splendour of this magnificent estate. The Finca is surrounded by some 68000 sq meters of manicured land. It has a ceramic pool, a tennis court and a staff house. The gardens provide plenty of fresh fruits and vegetable for the Finca all year round. The Finca has 68,000 sq meters of manicured land but the whole property is 260,000 Sq meters, which incorporates the mountain on the right hand side of the road. There are 2 wells on the property.
