### Location

## Description

This beautiful villa is located close to San Carlos just through the Morna Valley. It does not have sea views (apart from in the distance from one side) but it does have lovely peaceful countryside views across the valley and is at the end of a gently climbing camino at the top of a hill.

The property will be around 500 sqm in total when completed, over 2 floors, with a separate casita and huge basement area, and has 35000 sqm of land although most of this is forest, and in front will be fully landscaped gardens, including a huge pool, outdoor kitchen and chill out zone, and its own organic vegetable garden.
