Description

This beautiful, largely flat property is located on a hill between Sta. Gertrudis and San Rafael. It faces south and not only has sun all day, but also the evening sun, as from this land you also have a view to the west. The property is of a size that the neighbors did not have directly adjacent and is located in one of the most beautiful places on the island. In a few minutes you are in Sta. Gertrudis or in San Rafael. Both villages have a very good infrastructure and are very busy even in winter. You are in Ibiza within 10 minutes by car. The old town of Ibiza as well as the sea of Ibiza can be seen from this property. The newly built Finca Blakstad will have 5 bedrooms with 5 bathrooms. There is also a stable of 80m² on the property that can also be used. The property already has an electricity connection and a well is available.

Pool: 4x8.60: 34.40m²
