## Description

This beautiful finca is located in a very quiet rural area, between Ibiza and Santa Eularia. It was built in 2006 in the style of a traditional finca, but with all modern amenities such as underfloor heating and double glazing. When you enter the finca, you immediately feel a warm and inviting feeling. The entrance hall leads to the dining room and living room with a wonderful view of the valley and the pool area. In the main house there are 4 bedrooms, 3 of which have their own bathroom. The 4 bathroom is located next to the children's room and also serves as a guest bathroom. A 5 room is currently used as a storage room, but can easily be converted into a playroom or TV room. A few meters from the main house there is an extension with a 5th bedroom and bathroom ensuite and a spacious garage.

Thanks to the rental license, the property is an excellent investment for the future.
