The house has two floors. At the ground floor, is the main bedroom with one bathroom, connected to the garden. And a box room. At the main floor, there are two bedrooms with two bathrooms, one of them en suite. At this floor there is the dining room, with the chimney, the kitchen and big windows to the terrace with the swimming pool, barbecue, chillout, and garden. From here, there are some stone stairs to another extra exit from the house to the country. It's allowed to build another floor, according to Can Furnet rules, as some neighbours already made. There is also a second and smaller terrace from the dining room to the laundry room. The house has gas oil heating, air condition, wooden floor in the whole house, and automatic water system in the garden.
