Description

Unique position on own peninsula in first sea row

Positioned majestically atop a serene hillside and overlooking the crystal-clear waters of Cala Boix, this estate transcends the ordinary, marking its place as a unique treasure within the Mediterranean's embrace. Constructed in 1976, the property unfolds across a sprawling 600 m² of refined living space, harmoniously integrated into an expansive 11.10 hectares of untouched land. This substantial expanse offers an unparalleled canvas of tranquility, privacy, and natural beauty.

A private driveway weaves through the landscape, revealing awe-inspiring vistas that capture the bay of Cala Boix, the lush pine forests, and the distant Siesta mountains, culminating in a secluded entrance that heralds the exclusivity of this peninsula. The path leads through aromatic pine groves, alongside a private access to the sea, ascending to the villa's prestigious perch. From this vantage point, one is afforded panoramic views that stretch over the sea to Tagomago and Mallorca, and across the captivating Ibizan countryside, epitomizing the property's unrivaled location.

The architectural prowess of the villa is evident throughout its 600 m² of living space, where stone floors and a built-in kitchen reflect a blend of elegance and function. The estate comprises 13 meticulously designed rooms, including 10 bedrooms and 7 bathrooms, distributed across the main house, guest quarters, and staff accommodations. A fireplace adds an element of warmth to the spacious interiors, while two swimming pools, totaling approximately 100 m², offer a serene respite under the sun.

Beyond the luxurious amenities and sophisticated interiors, the estate boasts a feature that sets it apart from any other in the Mediterranean: a private beach. This secluded stretch of sand belongs solely to the property, offering an exclusive retreat into the island's natural beauty, where the dark, fine sands of Cala Boix meet the azure waters in quiet seclusion. The estate's terraces serve as perfect vantage points for the island's enchanting sunrises and sunsets, blending seamlessly with the natural and crafted elegance of the surroundings.

The proximity to Cala Boix, with its unique beach and the cozy ambiance of its beach restaurant, complements the estate's secluded luxury. Meanwhile, the nearby village of San Carlos, renowned for its hippy charm and the vibrant Las Dalias markets, adds a touch of local culture and community.

This estate is more than a residence; it's a declaration of the extraordinary, a testament to a unique lifestyle offered nowhere else in the Mediterranean. With its vast grounds, unmatched privacy, and the singular distinction of possessing its own private beach, this property stands as a pinnacle of luxury and exclusivity. Here, the tranquil beauty of Ibiza is not just observed but intimately experienced, making this peninsula not merely a place to live but a realm to cherish.
