Location

Description

Modern luxury villa with unforgettable sea view and sunsets for rent in Cala Conta, Ibiza

This exceptional luxury villa is situated in one of Ibiza's most exclusive gated communities, Cala Conta 33, on the island's stunning west coast. Just a short 800-meter walk from the famous beaches of Cala Conta, this modern architectural masterpiece offers breathtaking views over the Mediterranean and some of the island's most iconic sunset panoramas. Designed by renowned local architects Monica Fullana and Jordi Carreno, this villa represents a fusion of natural Ibizan materials, oxidized metal details, and impeccable elegance.

The property offers over 420 m² of interior living space and accommodates up to 8 adults across four spacious en-suite bedrooms. The master suite, with its own terrace and sea views, features a luxurious local stone bathtub and walk-in rain shower. Each bedroom has been carefully designed to provide privacy and comfort, all framed by the lush, landscaped Mediterranean garden.

The open-plan living area is the heart of the home, blending a sleek designer kitchen, a dining space with bespoke Timothy Oulton furnishings, and a stylish lounge with Gervasoni sofas and Bang & Olufsen sound system. Large floor-to-ceiling glass doors open onto the outdoor terraces, pool area, and gardens, creating a seamless indoor-outdoor living experience.

Downstairs, the villa boasts a 100 m² entertainment level with a cinema room, Apple TV, and a staff bedroom with en-suite. Outside, a long 15-meter L-shaped infinity pool awaits, surrounded by elegant Roda furniture, shaded lounge areas, and a designer gas BBQ – all with direct views of Ibiza's famous west coast sunsets.

Located just minutes from Cala Comte, Cala Escondida, and the renowned Sunset Ashram restaurant, the property is also close to elite beach clubs like CBBC, Cotton Beach Club, and the luxurious 7 Pines Resort. The Time & Space land art installation by Andrew Rogers in Can Soleil is also nearby.

Ideal for luxury seekers, design lovers, and sunset chasers, this villa is more than just a home—it is a curated lifestyle. With optional wellness access to a 300 m² spa, Jacuzzi, and fitness zone within the complex, plus optional concierge services including chef, massage, yacht charter, and personal trainer, every need is anticipated.
