Description

This apartment is located on the Paseo Maritimo in the hyper-modern building "Las Boas" designed by the world-famous architect Jean Nouvel. The apartment is on the second floor and has access from both the stairs and the elevator. It is equipped with a very exclusive living room and dining room, an exclusive kitchen, 2 bedrooms, 2 bathrooms and a toilet. It offers a fantastic view of Dalt Vila and the sea. The "Condos" in this luxurious complex all have access to a gym, a children's playground and a gorgeous pool.

The building is located on a unique place in the heart of the best entertainment places in Ibiza. The apartment has a parking space.
