Location

Description

The exceptional villa is located in one of the most advantageous places on the beautiful island of Ibiza. Potential buyers can be spoiled by the most spectacular sunsets on the mountaintop of posh residential Can Furnet (comparable to Can Rimbau) where the property is located. The villa is nestled in natural surroundings and so well shielded from unwanted see and be seen. Due to its diverse layout and exclusive materials, the luxurious Vila is really a hochklassigee property

This Mediterranean property is one of the largest luxury villas, there are legal to buy in Ibiza. It is located at the highest point in a guarded mountain close to the village Jesus with the entire infrastructure. The luxury villa is located only 10 minutes from Can Rimbau, Cap Martinet, the Talamanca Beach and the Marina Botafoch. It is ideal for boat owners and those who like to love the entertainment of the day or night of Ibiza. All the fashionable restaurants and nightclubs (Cipriani, Sushi Point, Trattoria del Mar, Harbour Club, Cafe Cappuccino, Pacha, LIO,) and all 5-star hotels are in the immediate vicinity of this property. The trendy beaches of Cala Jondal, Salinas, Es Cavallet and the airport can be reached by car in 15 minutes. The exclusive villa is built in the most expensive materials. The entire floor has been laid with marble. With 12 bedrooms and 12 bathrooms, all of which are legal, it is the largest property close to Ibiza town or even on the entire island. The luxury villa also has 2 swimming pools. If a more modern style is desired, we cooperate with the most famous architects of the island, which can either convert from floor to ceiling, the property in a Blakstad Villa or a super-modern house with windows. The gated community has its own tennis courts, its own restaurant and we guarded around the clock patrols and gesichterter entrance.
