A carport and ample parking spaces are available. The fascinating, magnificent view of the sea, the island of Formentera, and the bays of Cala Jondal and Sa Caleta combine all the advantages that the dream island of Ibiza has to offer. The park-like garden is designed in a Mediterranean style and is ideal for children. The pool area offers a captivating, gigantic view of the mountains opposite. This unobstructed view is not obstructed by any buildings. Near the pools is a pool house with a kitchen, a dining area, an outdoor shower, and a high-end sound system. This entire entertainment area is well separated from all living areas. Here you can enjoy pure peace, unwind, recharge your batteries, or even host wonderful parties and barbecues. The house was built on two levels. The lower level features a large living room with an open fireplace and large windows, all facing the sea and pool. The ceiling is entirely covered in silver leaf. Behind the living room couch is a wall heater. A fine wine room (humidor) is also available. The entire property, with all its rooms, is flooded with light. Every area offers views of the sea and the infinity pool with LED lighting (color-changing options available) – pure Ibiza by day with the island's most beautiful shades of blue, and in the evening, an enchanting play of colors thanks to the sophisticated lighting. The large, separate dining room is located next to the fully equipped kitchen. The interior is very luxurious and decorated with great attention to detail. The large outdoor terrace offers ample space for sunbathing, relaxing, and chilling. On the upper floor, there is a majestic master bedroom, a dressing room, a beautiful bathroom with a large, unusual bathtub, three further bedrooms with en-suite bathrooms, and expansive terraces with magnificent views. Back in the entrance hall, there are four additional bedrooms with en-suite bathrooms, each very glamorously furnished. The villa features a total of seven bedrooms with en-suite bathrooms, dressing rooms, two guest houses, each with one bedroom and a living-dining area, a staff house, a garden and tool shed, two pools, terraces, covered verandas, a satellite system with all international channels, a sound system, TV and DVD, air conditioning, heating, an alarm system, and an automatic irrigation system. The popular beach clubs of Cala Jondal, Es Torrent, Salinas, Es Cavallet, and Playa d'en Bossa, as well as the airport and Ibiza Town, can be reached in ten minutes. The nearest supermarket is five minutes away, and the village of San Jose, with all its amenities (bakery, butcher, pharmacy, banks, doctors, restaurants, church, etc.), is five kilometers away. The name "Namaste" reflects the entire philosophy of the property.
