The spacious property extends over several levels, connected by an open staircase and an elegant glass elevator. A total of seven bedrooms, each with its own bathroom, are available – ideal for families, guests, or even staff. Large windows ensure plenty of natural light in every room and offer unobstructed views of the stunning surroundings.

At the heart of the house is a spacious living and dining area with direct access to the sun-drenched terrace and private pool. The open fireplace creates a cosy atmosphere, while the modern, fully equipped kitchen with high-quality appliances is ideal for both everyday use and stylish dinner parties.

High-quality materials, underfloor heating, central air conditioning, double-glazed windows, and a comprehensive alarm system underscore the high standard of this property. A spacious garage area and a storage room provide practical convenience.

Whether as a private retreat or as an exclusive long-term rental property, this property offers a luxurious quality of life at the highest level in one of the island's best locations. The Roca Llisa urbanization is just a few minutes' drive from Ibiza Golf Club and offers excellent access to Ibiza Town, the Marina Botafoch marina, and Talamanca Beach, a hotspot for sun worshippers and connoisseurs.
