Location

Description

This modern villa for long-term rental enjoys a stunning location above the legendary Ibiza salt flats – one of the island's most fascinating natural wonders, known for the "Sal de Ibiza" brand. The property offers unique panoramic views of the salt flats and the deep blue Mediterranean Sea, all the way to the coast of Formentera.

The villa enjoys a privileged location, just minutes from the famous beach clubs and restaurants in Las Salinas – including El Chiringuito, the Jockey Club, Sa Trinxà, and the exclusive Experimental Beach Club in Cap des Falçó. The lively beach of Playa d'en Bossa, with its hotspots such as Ushuaïa, Hi Ibiza, Beachouse, and Tantra, is also a short drive away. The center of Ibiza Town and the airport are only 10 to 15 minutes away, making this location particularly attractive for luxury long-term living.

The modern villa is built on two floors. The ground floor features a bright living room with large windows that seamlessly flow into the well-kept garden with bougainvillea and Mediterranean plants. A stylish dining area, a fully equipped kitchen, and a bedroom with an en-suite bathroom complete this floor.

Upstairs, you'll find three additional bedrooms with en-suite bathrooms, ideal for family, guests, or a home office. Of particular note is the roof terrace with fantastic panoramic views of the salt flats and the sea—a perfect spot for sunsets and relaxing evenings.

Features include air conditioning in all rooms, a well-maintained outdoor area with a private pool, and two parking spaces. The modern architecture, combined with high-quality materials and a quiet, nature-oriented location, make this property an exclusive opportunity for stylish long-term living in Ibiza.
