Description

This magnificent villa has a modern architectural style and offers an array of luxurious features. The new-built project has been designed with high-quality materials and offers a perfect layout.

It features an open-plan living room that seamlessly flows together with the kitchen and the balcony. Thanks to the floor to ceiling windows, there is an abundance of natural light, enhancing a spaciousness and modern ambiance. The large kitchen, including a kitchen island, is fully equipped and even has two wine fridges installed with ambient lighting.

The villa has a total of five large bedrooms, each with its own en-suite bathroom and lit built-in closets. In total, there are six bathrooms throughout the whole property, where friends, family or guests can all enjoy a sense of privacy and comfort. There is also a separate guest toilet for extra convenience. Every detail has been chosen thoughtfully: The kitchen, closets, and bathroom furnishings are all of the highest quality, sourced from Italy. Also, a well-designed lighting plan adds a touch of elegance to every corner of this stunning property.

The villa does not come furnished, allowing you to make your own choices for the interior and decoration. What has been integrated are state-of-the-art home automation systems from Domotica. You can effortlessly control lighting, music, curtains, climate, and the alarm to suit your preferences. The house also has floor heating and air conditioning, making it a comfortable place to live all year round. There is also an extra room that can be used as an office or a game room. On top of that, you'll also find a huge basement that provides ample storage or can be customized to suit your needs.

Rest assured, the property is fully legal, with all the correct drawings and documentation in place.
