## Location

## Description

This newly built Blakstad finca is available for rent in one of the most tranquil and scenic areas of Ibiza, nestled in the lush green hills near Sant Mateu. Surrounded by untouched countryside and traditional farmland, the property offers a serene retreat that blends authentic Ibizan architecture with modern luxury and comfort.

Designed by the renowned Blakstad studio, this exceptional rental property perfectly captures the essence of traditional island living while providing all the conveniences of a high-end contemporary villa. Renting a Blakstad property is a rare opportunity, as their architectural approach is both highly exclusive and deeply rooted in the cultural heritage of Ibiza. Their fincas are known for their perfect balance of form, function and natural harmony, and this particular home is a true example of that legacy.

The finca features a spacious layout with a huge open-plan living room that connects effortlessly to the beautifully crafted kitchen and outdoor terraces. Large wooden doors and traditional beams complement the modern finishes, and natural stone elements flow seamlessly between the interior and exterior spaces. The villa includes five large bedrooms, each with its own luxurious en-suite bathroom, creating a private and peaceful atmosphere for each guest or resident. Whether you're considering a seasonal rental or a longer-term stay in Ibiza, this finca provides a peaceful lifestyle in a premium location.

The heart of the home is a beautiful internal courtyard with a fireplace, offering a quiet corner for evening gatherings or moments of relaxation. This open-air space provides a unique ambience, blending indoor and outdoor living in the most authentic Mediterranean way. The other highlight is the pool area: a large swimming pool surrounded by designer loungers, built-in seating areas and multiple terraces for dining, sunbathing, or enjoying the panoramic views over the rolling hills and countryside.

The lower level of the finca houses a large multipurpose room that can be used flexibly – ideal for creating a home gym, cinema, or staff quarters. This space adds versatility to the property and supports a range of lifestyle needs, whether for families, professionals or long-term Ibiza residents.

Adding a special touch to the property is a self-contained real treehouse – a rare and charming addition perfect for children or creative work. With its own vantage point, it offers a unique space to enjoy the surrounding nature in total privacy.

The location in Sant Mateu is known for its peaceful atmosphere and authentic charm. Yet, despite the rural setting, you're still just a short drive from the buzzing towns of Santa Gertrudis, San Rafael, and even Ibiza Town. The beaches of the north and west coast are also within easy reach, making this property an ideal base for anyone who wishes to rent a luxury finca in a quiet but well-connected part of the island.

For those looking to rent a Blakstad villa in Ibiza, this home presents a very rare opportunity. It is perfect for families, creatives, or anyone seeking a peaceful escape that does not compromise on style or quality. With its beautiful layout, exceptional design, and incredible outdoor spaces, this finca is not just a house – it's an experience of living in harmony with Ibiza's true spirit. The home is fully furnished and available for rent for those seeking a long-term or seasonal stay in one of the island's most desirable and authentic areas.
