Description

This beautiful 250 year old finca is located in absolute peace in the beautiful valley Benimussa. It was completely renovated in 2009 with great attention to detail. The pink Baganville flowers, the old wooden doors and the bohemian accents add a special charm to this fairytale property. On the large property there are many fruit trees and vegetables of all kinds.

The official tourist rental license gives you the opportunity to offer the property for weekly rental.
