Description

This luxurious sea view villa is located in one of the most scenic areas of Ibiza — the hills above San José (Sant Josep de sa Talaia), offering absolute privacy, spectacular sea views, and unforgettable sunsets. Set on a vast 20,000 m² plot surrounded by pristine Mediterranean nature, this unique property combines contemporary comfort with timeless Ibizan charm.

The villa boasts 700 m² of refined living space, thoughtfully laid out to maximize the stunning views and natural light. Each of the five bedrooms features its own en-suite bathroom, creating an atmosphere of boutique hotel-level privacy and comfort. The master suite opens directly onto a sun-drenched terrace with panoramic views over the sea and the island's dramatic western coastline.

The open-plan living and dining area is bathed in sunlight thanks to expansive glass sliding doors that blend indoor and outdoor living. The fully equipped kitchen offers high-end appliances and an elegant design ideal for both everyday use and entertaining guests. Underfloor heating and air conditioning throughout ensure year-round comfort.

Outside, the villa features a large heated infinity pool that overlooks the coastline — perfect for enjoying magical Ibizan sunsets in total luxury. A selection of shaded lounge areas, a covered al fresco dining space, and beautifully landscaped gardens with native trees and aromatic plants complete this private outdoor oasis.

This property is ideally located near some of Ibiza's most famous west coast beaches, such as Cala Tarida, Cala Vadella, and Cala d'Hort, home to iconic views of Es Vedrà. Within a short drive, you'll find trendy beach clubs like Cotton Beach Club, CBbC Cala Bassa, and experimental bars and restaurants in San José village, including Can Domingo and Raco Verd.

Whether you're searching for a luxurious holiday rental, a long-term escape, this villa delivers on every level. The peaceful setting combined with close proximity to Ibiza Town and the airport (approx. 20 minutes by car) make this one of the most desirable high-end properties on the island.
