Location

Description

This modern luxury villa is located in the exclusive Can Rimbau urbanization, one of Ibiza's most sought-after locations, known for its privileged hillside setting with unobstructed views of the sea, the old town of Dalt Vila, and all the way to Formentera. Nestled in a quiet, secure residential area near Jesús, this villa offers stylish living comfort, maximum privacy, and immediate proximity to the island's hotspots.

The spacious villa, with 330 m² of living space on a 510 m² plot, impresses with its open architecture, high-quality materials, and light-filled rooms. The ground floor features an elegant living area with fully opening glass fronts, a dining area overlooking the tropical garden, and a fully equipped luxury kitchen. A bedroom with en-suite bathroom and access to the terrace and pool area, as well as a guest toilet, complete this level.

Upstairs are three further bedrooms, each with its own bathroom. The master bedroom boasts a luxurious en-suite bathroom and a large terrace with breathtaking views of Dalt Vila—a particularly spectacular experience at sunset.

The low-maintenance garden is surrounded by bougainvilleas and tropical plants and, with its private pool and several terraces, offers perfect retreats for relaxation or stylish dinners with friends.

The location is unbeatable: just minutes from the charming village of Jesús, with its popular restaurants and boutiques. The Marina Botafoch and top venues such as Lío, Pacha, Zuma, Cipriani, Roto, Nobu Hotel, Café Cappuccino, and Talamanca Beach are less than 10 minutes away by car. Ibiza Town and the airport are also within easy reach.

This luxurious property is offered exclusively for long-term rental and is ideal for those seeking a permanent home on the island – with views, location, and quality at the highest level.

Only long term rental possible
