Description

Luxury Farm Estate for Sale in the Country Side of Santa Eulalia, Ibiza – A Rare Self-Sufficient Mediterranean Haven

A Place to Slow Down, Breathe & Live Deeply Connected to Nature

This beautiful luxury farm estate is far more than a home — it is a lifestyle. A sanctuary where days begin barefoot in the garden, where the scent of citrus blossoms fills the air, and where you reconnect with what truly matters: family, friends, nature, and simple, meaningful living.

Just 10 minutes from Morna International School, this hacienda is peaceful, grounded, and alive in every sense. Here, mornings start with sunlight filtering through the trees, followed by collecting your own eggs, vegetables, and fruit. Children climb trees and pick figs, adults enjoy long lunches on shaded terraces, and evenings end with opening a bottle of wine produced from your very own vines.

This estate celebrates sensory living, self-sufficiency, and Mediterranean authenticity — a rare combination in today's Ibiza.
