Description

Fata Morgana is a Moroccan luxury villa, located on a hilltop near San Lorenzo. The main house forms the quadratish form whose center is the central yard (patio) with pool. The patio and pool form the fulcrum for the rest of the villa. From here you can reach all the rooms. The villa is a duplicate of the mosque of Zebid, in Yemen and is a toles example of vernacular architecture. One of the exits leads through the patio to the water garden with a small lake and a tea house. In front of the main part of the house is the impressive 22 meter swimming pool. This 22 long overflow forms a wonderful contrast with the magnificent panorama from Ibiza center to the neighboring island of Formentera. On the left side of the large pool is a large sun terrace and a Bedouin tent with a table for 16 people. Two other large dining tables are once under a wooden pagoda, and once outside the kitchen on the right side of the patio. In the right tiel of the main house are the large kitchen with dining area a large living room with many comfortable Sitzgelgenheint and the large master bedroom with private bathroom. In the left part there are 4 bedrooms with 3 bathrooms. In back cultivation of the property is a residential apartment for 2 persons. The Anleigerwohnung is ideally suited for friends, guests or own staff.
